

# Step into the Great Land

Discover more of Alaska on a Princess National Parks Cruisetour

 Denali National Park

Alaska is a land of towering glaciers, majestic peaks, incredible wildlife and breathtaking beauty. And Princess cruisetours bring you closer to it all with visits to iconic national parks, including Denali, Glacier Bay National Park and Kenai Fjords. Along the way, enjoy premium cruising, scenic rail travel and cozy stays at Princess-owned wilderness lodges. Experience the best of Alaska on a seamless journey from ship to the heart of the Great Land.

## Your 2027 National Parks Cruisetour

### includes:

Up to **4** national parks

Up to **7** nights on land

**8** Princess Wilderness Lodges

**7** days at sea

COUNTLESS MEMORIES

## Did you know?

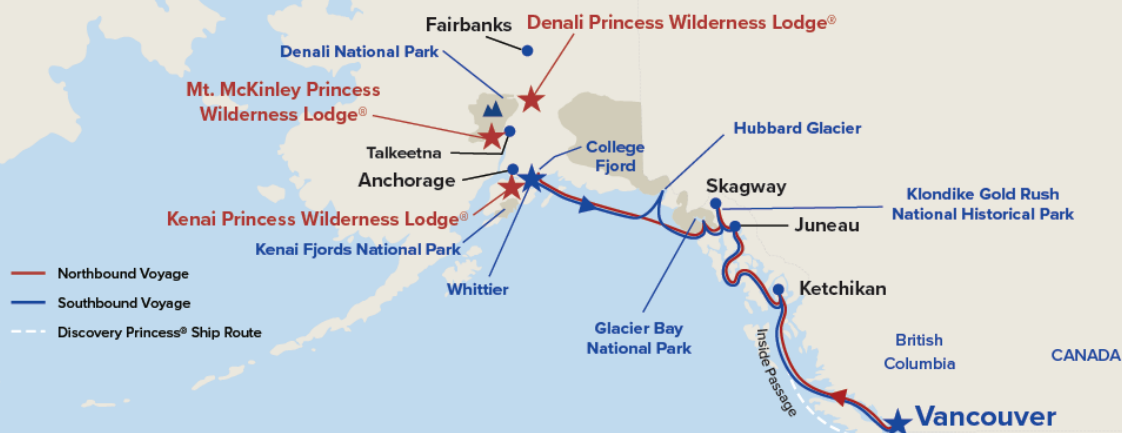

- At 20,310 feet, the mountain in Denali National Park is North America's tallest peak.
- Kenai Fjords National Park is home to Harding Icefield, made up of about 40 glaciers.
- UNESCO World Heritage Site Glacier Bay National Park is the ancestral homeland of the Huna Tlingit people.
- Klondike Gold Rush National Historical Park (Skagway) preserves the history, structures, trails and stories of the 1890s gold rush.
